EXPERIENCES

Product Designer & Co-Founder | Appo

Sarajevo, BH | Sep 2023 - Current

Led the end-to-end design of a mobile app startup, from shaping product vision to building and testing interactive prototypes. Defined the brand identity and visual language, and collaborated closely with developers to translate ideas into a functional product, while driving user research and feedback cycles to refine the experience.

Designer | Freelance

Remote | 2020 - Current

Worked on a range of design projects for diverse clients, including branding, visual design, UI, and print, delivering cohesive and polished solutions across mediums.
